

**Upper Kittitas County Community Recreation Center  
Virtual Meeting Poll Results  
October 2023**

Virtual meetings were held on October 26 and November 1, 2023. Participants were polled at various points in the meeting. Below are the questions and the number of respondents for each of the response options.

- 1. The intent of the Guiding Principles is to reflect the community’s goals for the new Community Recreation Center. Which response below most closely reflects your reaction to these principles? (Select One)**

a. They effectively <u>capture all the goals</u> I have for this project.	13	
b. They capture <u>most of the goals</u> I have for this project; I will provide some comments.	2	
c. They capture <u>some of the goals</u> I have for this project; I will provide some comments.	0	
d. I do not agree with or do not understand these goals.	2	
	17	

- 2. After the discussion on drawing from the community, history, and natural landscape for inspiration on project material selection, which response below most closely represents your opinion on the design team’s direction as presented? (Select One)**

a. These materials comfortably represent a great reflection of this place.	13	
b. I like the inspirations shown but would like to see other materials explored. I will provide some comments.	0	
c. I’m not concerned about the inspirations shown – focus on value and durability.	3	
	16	

- 3. Please provide your feedback on the Site Plans presented. (Select all that apply)**

a. I understand the site plan and like how the project is designed.	13	
b. I like how the parking is spread out allowing existing trees to remain.	14	
c. I do not like the parking layout – too far of a walk to the building.	1	
d. We do not need another community park at this facility.	2	
e. I can see me/my family really enjoying use of the outdoor spaces shown.	7	
f. I do <u>not</u> see me/my family using the outdoor spaces shown.	0	
g. I will provide comments on what I think is missing or should be removed.	3	

4. A goal of the facility is to meet the needs of all members of the community. Check the boxes of any group that you feel are not being appropriately accommodated: (Select all that apply)

a. Toddlers		
b. Preteens		
c. Teens	1	
d. Young adults	2	
e. Seniors		
f. Families		
g. Disabled	1	
h. All members are represented	9	

(Note that one respondent felt that three groups were underrepresented.)

5. A goal of the site design and exterior building character is to respond to the local environment and uniquely represent the Upper Kittitas area. How successful do you feel the current design is in meeting this goal? (Select One)

a. Highly successful – no changes suggested.	12	
b. Great start – needs further refinement. I'll provide some comments.	2	
c. Getting there - but does not feel like a representation of our community, history, landscape.	2	
d. I have some significant concerns. I'll provide some comments.	1	
	17	

6. What is your initial reaction to the look and feel of the interior of the building? (Select all that apply)

a. This design reflects my vision of an upper Kittitas County community recreation center.	9	
b. I generally like the design but it feels maybe a bit excessive for our small community.	4	
c. I like the design but prefer other interior materials. I'll provide some comments.	1	
d. I have some significant concerns. I'll provide some comments.	1	

7. Are you willing to get involved and help make the community center a reality? Check the boxes of things you are willing to do. (Select all that apply)

a. help with fund raising.	3	
b. help with bond campaign.	3	
c. Vote yes on future funding.	7	
d. No – I'm not willing to get involved.	0	
e. I would like more information.	3
